

intimus PL-400
A3 pouch laminator for office use

A laminator of excellent price-performance ratio for office environment combined with user friendliness. Equipped with an intuitive control panel and a useful exit pouch tray for perfectly sleek laminates. The temperature is set automatically depending on the selected pouch thickness. An LED light indicates when the machine is ready for use.

Versatile use

Can be used to laminate a variety of documents up to a paper size of DIN A3. Both hot and cold laminating is possible. Cold laminating is especially useful for temperature sensitive documents.

Time-saving

1-min warm-up time and fast laminating speed of 36 sec for a DIN A4 sheet and 50 sec for a DIN A3 sheet help to save time.

Eco-friendly

Auto shut off after 30 min of no use saves energy and money.
