

intimus PL-200

A3 pouch laminator for home office

A reliable laminator for home or small office. Equipped with an easy-to-use switch for pouch thickness setting and an useful exit pouch tray for flawless laminates. The temperature is set automatically depending on the selected pouch thickness. An LED light indicates when the machine is ready for use.

Versatile use

Can be used to laminate a variety of documents up to a paper size of DIN A3.

Time-saving

Fast laminating speed of 37 sec for a DIN A4 sheet and 52 sec for a DIN A3 sheet helps to save time.

330 mm

Warm up time
3-4 min

Speed
420 mm/min

Article no.	INT-LA-00PL200
Max. paper size	DIN A3
Max. laminating width	330 mm
Laminating pouch thickness	80, 100, 125 mic (3 predefined settings)
Max. laminating thickness	0.8 mm
