

intimus 960 / 1260

Large format rotary trimmer for office and graphic applications

High-quality paper trimmer with metal base, reinforced plastic end pieces and anti-scratch powder coating. Practical for trimming paper up to DIN A0 including large format drawings, digital printouts, posters etc. or for cutting endless paper thanks to convenient paper holder.

Safety cutting head

Smooth running ergonomic safety cutting head with self-sharpening roller blade out of hardened steel.

Precise and efficient trimming

Standard paper formats and various angle indications are placed on the table. Transparent clamp bar with automatic clamping system and two measuring scales (cm and inch) for accurate trims.

Available as table top model or with stand.
