

intimus 3115 M

Manual office guillotine with 310 mm Cutting width and 15 mm cutting height

Compact table-top machine for cutting of up to 150 sheets. Suitable for regular use. Effortless operation via practical horizontal lever handle. Simple exchange and rotation of cutting stick from outside the machine without tooling.

Precise

The LED optical cutting line indicator ensures easy visibility and precision in the cutting area. . The measuring scale in mm and inch, the automatic paper fastening clamp and the manual backgauge allow precise alignment of the paper stack for the desired paper size.

Safe

The safety catch locks the Knife lever in upper position. Non-slip rubber feet for stability.
