

intimus TBI-500

Thermal binding machine

Warm up time
2.5 min

A robust thermal binding machine for pre-glued covers, for use in offices or digital printing centres. Fast and easy binding up to 500 sheets, either as one or multiple documents.

User-friendly

Acoustic signal and LED indicator light indicate when the machine is ready for use. No presetting necessary. Integrated measuring device to select the right cover.

Time-saving

Fast warm up time of 2.5 min, fast binding time of 60-180 sec and an integrated cooling system to reduce waiting time.

Long-lasting use

Thanks to durable metal construction.

Article no.	INT-BI-0TBI500
Max. paper size	DIN A4, up to 330 mm
Warm-up time	2.5 min
Binding time	60 sec for leather back cover, less than 20 mm 120 sec for leather back cover, more than 20 mm 180 sec for steel back cover
Binding capacity (80g/m ²)	500 sheets
Weight	4.2 kg
Dimensions (W x D x H)	420 x 220 x 295 mm
Power supply	220V, 50Hz
Colour	White
