

intimus 260 / 320 / 460 / 670

Table-top rotary trimmer for office use

High-quality paper trimmer with metal base, reinforced plastic end pieces and anti-scratch powder coating. Practical for trimming paper up to DIN A2 including large format drawings, digital printouts, posters etc.

Safety cutting head

Smooth running ergonomic safety cutting head with self-sharpening roller blade out of hardened steel.

Precise and efficient trimming

Standard paper formats and various angle indications are placed on the table. Transparent clamp bar with automatic clamping system and two measuring scales (cm and inch) for accurate trims.
