

intimus PL-100

A4 pouch laminator for home office

A reliable laminator for home or small office. Ready for use in no time and absolutely user-friendly. LED light indicates when the machine is ready. By selecting the desired pouch thickness via touch buttons the temperature is set automatically.

Versatile use

Can be used to laminate a variety of documents up to a paper size of DIN A4. Both hot and cold laminating is possible. Cold laminating is especially useful for temperature sensitive documents.

Time-saving

1-min warm-up time and fast laminating speed of 42 sec for a DIN A4 sheet help to save time.

Eco-friendly

Auto shut off after 30 min of no use saves energy and money.
