intimus WW 200E DUO
Electric 3:1 and 2:1 wire binding machine

A robust binding machine for professional wire binding with a highly calibrated punching matrix and micro adjustment wire closing mechanism. Both 3:1 and 2:1 wire binding in one machine for individual customer requirements. Suitable for office environment, educational facilities or copy shops.

Time-saving
Equipped with a powerful electric punching motor. A foot pedal for electric punching boosts productivity during large volume jobs.

User-friendly
A sliding switch makes selection of punching format easy. An adjustable paper stop keeps the sheets in place. Punching by means of the lever handle or the push button. Integrated waste deposit.

Long-lasting use
Thanks to a durable metal construction.

CE

Article no.	INT-BI-WW200EDUO
Punching capacity for paper (80g/m²)	20 sheets
Punching capacity for plastic foils (0.18mm)	2 sheets
Punching margin control	2-6 mm (for 2:1 only)
Binding capacity (80g/m²)	280 sheets
Max. paper size	DIN A4, US letter size, extra large size
Punching slots	34 for 3:1 23 for 2:1
Power consumption	150 W
Weight	20 kg
Dimensions (W x D x H)	460 x 440 x 190 mm
Power supply	220 V, 50 Hz
Colour	Metallic
