

intimus AutoShred 400 CP4

FULLY AUTOMATIC DOCUMENT SHREDDER

START. LOAD. AND LEAVE. DONE!

With our intimus AutoShred 400 CP4 the era of spending hours on shredding is now a thing of the past. This advanced shredder ensures a secure and fully automatic data shredding experience, handling up to 400 sheets effortlessly in autofeed mode.

Integrated overheating protection and anti-paper jam protection technology ensure a prolonged operating time of up to 240 minutes without any interruptions. Once your task is completed, the shredder takes care of energy conservation by automatically switching off after just 5 minutes. For added security, the shredder features a lockable magazine with a 4-digit code, safeguarding your documents against unauthorized removal.

Perfect for reliable shredding of:

- **Paper** including staples and paper clips
- **Credit cards** with magnetic strip or electronic chip
- **Optical storage media** such as CDs, DVDs and Blu-rays

USPs

- intimus AutoShred 400 CP4 maintains a low noise level of 56 dB(A) - say farewell to the disturbance of loud shredding processes.
- 400 sheets of 80 g/m² paper with paperclips and staples can be fed via autofeed.
- Credit cards, CDs and up to 10 sheets of 80 g/m² paper can be shredded via the manual feed.
- The large and easily removeable 55-litre waste bin can hold up to 670 sheets of paper.
- The 4 x 12 mm particles comply with security level P-4 according to DIN 66399 (ISO/IEC 21964).
- An overheating protection and anti-paper jam protection technology ensure a particularly long operating time of 240 minutes without interruption.
- A 4-digit code protects the documents against unauthorized removal.
- Once the work is done, it switches off automatically after 5 minutes and conserves energy.
- Its practical castors allow you to move it easily to the place you need.
- The intuitive operation is facilitated by the innovative touch display.

Large 55-litre collection bin.

Also shreds documents with paper clips and staples.
