INTIMUS MS-20

POSTAGE MACHINE

- ▶ Fast frank
- ▶ Easy-to-Use
- ▶ Professional image

NO MORE GUESSING
THE CORRECT
POSTAGE.

NO MORE RUNNING
OUT OF STAMPS.

The intimus MS-20 is the perfect postage machine for up and coming businesses, offering sophisticated features in a compact package. No more queuing at the post office.

The intimus MS- 20 can be re-credited online with postage, 24 hours a day, 365 days a year.

ACCURATE PRICING

The MS-20 comes loaded with all postal rates, giving you the exact price for all its services. The integrated 2,5 kg digital weigh platform accurately sets the machine to the correct value so there's no risk of over or under stamping. Calculating the correct postage is easy with our on-screen rate wizard.

EASY TO USE

Shortcut keys give quick and easy access to frequently used settings. The MS-20 also comes with easy-to-install, high speed LAN connection for rate change updates and ois features

MAKE YOUR MARK IN STYLE

With the MS-20, you'll enjoy a more professional image and free advertising. You can easily customize your mail message to include your company name, special greetings or marketing slogans.

POSTAGE SAVINGS

In many countries, according to local postal rules, as an MS-20 user, you will automatically receive a discount on every item of mail you send.

MAXIMUM COMFORT

Its compact design, dedicated to the desktop environment, saves space for the user. Its large display offers ease of use when navigating through different menus.

BECAUSE SUSTAINABILITY MATTERS...

True performance isn't only about fast machines and efficient business processes. It's also about being just as innovative when it comes to sustainability.

WHY CHOOSE INTIMUS?

intimus helps your business grow and become more efficient.

We provide innovative, value-added products and services to improve productivity to both office and high-volume Print / Finishing operations.

By focusing on the total document life cycle (physical and digital), our consultants, supported by our best-in-class service organization, help our customers re-engineer their information flow.

We strive every day to excel and have a proven track record in providing excellent customer satisfaction for thousands of small and medium companies, service-bureaus and public administration entities.
