

INTIMUS LO1632

Letter opener

The intimus LO 1632 Letter Opener quickly and efficiently feeds and opens the most commonly used envelope sizes. Ideal for small to mid-size businesses.

Save valuable time

The intimus LO1632 letter opener can significantly save time when handling incoming mail.

Instead of tearing open envelopes with your hands, which can be slow and often messy, the letter opener provides a quick, clean cut.

This tool allows you to open multiple envelopes in a row with ease, reducing the risk of paper cuts and minimizing the effort needed to access the contents.

Its design ensures that you can swiftly open letters without fumbling or wasting time, making it an efficient tool for both personal and office use.

- Automates task of opening incoming mail
- Operates at speeds of up to 120 letters per minute
- Blades fully enclosed to protect fingers
- Non-skid rubber feet keep machine in place
- Low noise operation
- Small footprint
