OMATION 210

LETTER OPENER

Safe time and effort each day with
the OMATION Series 210

- ▶ Milling Cutter Technology
- ▶ Up to 400 envelopes per minute
- ▶ No cut setting for counting only

**THE PROFESSIONAL
OMATION SERIES GIVES
YOU THE OPPORTUNITY
TO PROCESS YOUR MAIL
QUICKLY AND EFFICIENTLY**

Meet an innovative solution for mail centers that handle between 200 and 2,000 incoming envelopes a day. The OMATION 210 envelope opener uses advanced milling cutting technology to open mail of mixed sizes and thicknesses with exceptional speed and precision: up to 400 envelopes per minute.

For mail centers seeking high performance and versatility in a compact size, the OMATION 210 envelope opener is an ideal solution. Designed with advanced milling cutting technology, it easily opens to 2,000 envelopes, flats and rigid overnight packs a day.

- 

Proven Milling Cutter Technology
Minimizes cut contents and provides soft, feathered edge to eliminate painful papercuts. Opens envelopes completely edge-to-edge for easy content removal.
- 

Cut Depth Adjustment
Use one of three cut depth settings to open thin or thick mail, flats and rigid overnight packs. The OMATION 210 comes also with a “no cut” setting for counting envelopes without cutting.
- 

Fast Mail processing
Don't waste your time with opening letters by hand. The OMATION 210 opens up to 400 envelopes per minute (6” envelopes). Advanced self-adjusting feeder enables efficient mixed-mail opening.
- 

Design
The compact tabletop design fits almost anywhere.
- 

Digital Counter
Easy to view counter display.
