**BUSINESS INFORMATION SOLUTIONS**

# ADDRESSRIGHT
## ADDRESS PRINTER

**Create mail that stands out of the crowd - personalized mail with a professional look.**

▶ **Professional image**

▶ **Lower costs**

▶ **Fast processing of your mail**

▶ **Easy to use**

## USE MAIL TO GENERATE NEW SALES, RENEW DONORS, RETAIN CUSTOMERS OR CONDUCT SPECIAL PROMOTIONS, EVERY PIECE OF MAIL COUNTS.

Each person on your mailing list receives dozens of pieces of mail every week and they all compete for attention. That means you need to create mail that stands out as it´s critical to the success of your business.

With a powerful addressing solution you can achieve better-looking mail, improved productivity and results, plus lower costs.

AddressRight printers are designed to work in tandem with our mail managment software Flexmail. This powerful software cleanses your address list, ensures delivery to your target customer and takes advantages of presort discounts. Plus, our printers are capable of handling a wide variety of envelope sizes, types of paper and mailing formats.

### High qualitiy prints

Clean, smear- free printing on envelopes and other media- up to 600 DPI.

### Design

Solid steel construction that´s built to last.

### Adjustable speed

Accelerated print speed of up to 22.000 #10 envelopes per hour on AddressRight 100 model and up to 30.000 on AddressRight 200 and 300 models.

### Easy to use

Operator-friendly display, enabling you to monitor printer status, ink levels, job status and more, all at a single glance.

### Conveyor stacker

An optional conveyor stacker and high- output ink dryer helps keep production going.

**+ Create more compelling envelopes**

Add personalized messages on the outside of your mail piece to increase the chance of your mail being opened and read. For even more personalization, all of our addressing solutions offer spot color in various shades.

**+ Delivering mail to the right persons**

By updating or eliminating bad addresses, you´ll avoid delays in delivery and the expense of returned mail. Ensure your mail is delivered with powerful and easy to use addressing software Flexmail from intimus International.

**+ Finishing mail quickly and lowering costs**

Address thousands of envelopes each month without the need to print separate address labels. Print directly on envelopes, postcards and other media.
